*Former Texas State

Speaker for WallBuilders,
Author and Radio Co-host of
WallBuilders Live!*

WallBuilders is a name taken from the Old Testament writings of Nehemiah, who led a grassroots movement to rebuild the walls of Jerusalem and restore its strength and honor.

In the same way, WallBuilders seeks to energize the grassroots today to become involved in strengthening their communities, states, and nation.

WallBuilders is a national pro-family organization that presents America's forgotten history and heroes, with an emphasis on our religious, moral and constitutional heritage. The organization has been recognized from coast-to-coast for its work in education, history, law and public policy, integrating the elements of Biblical faith, worldview and morality throughout all aspects of American life and culture.
