

# HeritageCircle

Established 2001

Right to Life of Michigan

## *A Commitment to Life*

Heritage Circle members are Right to Life of Michigan benefactors who make a gift through their will, trust, insurance policy, retirement plan and/or other charitable gift planning opportunities including significant endowment fund memorial gifts.

Heritage Circle members are dedicated to the defense and protection of innocent human life today and into the future. Funds raised through charitable gift planning help to ensure Right to Life of Michigan can continue providing a strong voice for the most defenseless members of our human family.

## *Joining the Circle*

You can become a member of the Heritage Circle by including Right to Life of Michigan (RLM), Right to Life of Michigan Educational Fund (RLM EF) or Right to Life of Michigan Educational Endowment Fund (RLM EEF) in your estate plans or by making a deferred gift during your lifetime.

Membership begins when the RLM Office of Gift Planning is notified of your charitable intention or plans (please see notification form on the back).

In their commitment to the defense and protection of the sanctity of life, Heritage Circle members provide leadership and are a shining example for future generations.

*Your voice will be heard  
& remembered!*
