

Right to Life of Michigan

A VOICE FOR LIFE

WHO WE ARE

We are a nonpartisan, nonsectarian, nonprofit organization of diverse and caring people united to protect the precious gift of human life from fertilization to natural death. Our identified prolife issues are abortion, infanticide, euthanasia and assisted suicide.

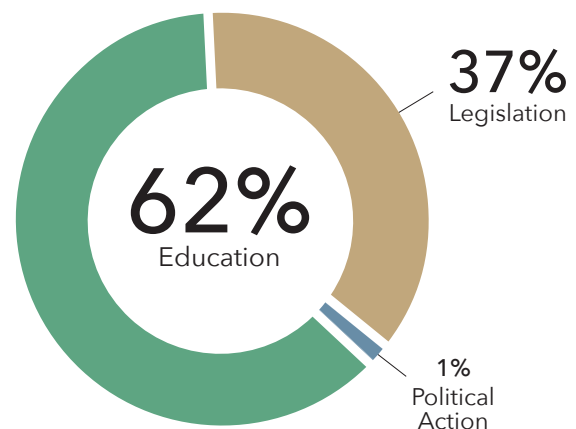

WHAT WE DO

Educate the public on prolife issues, support life-saving legislation, and help elect prolife candidates to vote for prolife legislation. These three activities complement each other as we carry out our mission to save lives and protect them in law.

WHY WE DO WHAT WE DO

Every year in Michigan about 25,000 children lose their lives because of legalized abortion. Abortion procedures not only leave broken bodies in their violent wake, but also broken bodies and spirits of the women, men, families, and others who participate in this injustice. Infanticide and euthanasia/assisted suicide are issues that take life and threaten the inherent dignity of every human being, no matter our age or health condition.

OUR WORK IN 2019

HOW YOU CAN GET INVOLVED

Visit our website RTL.org for prolife news, educational materials, and to get involved directly in your area. If you believe every human life is valuable, act on that value and become a voice for the voiceless; their lives depend on it.

Right to Life of Michigan is our 501(c)4 component involved directly on legislative issues and advocacy.

The Right to Life of Michigan Educational Fund is the 501(c)3 component of our organization working to change hearts and minds on prolife issues online, in print media, TV, radio, and in local communities.

Our Political Action Committee is involved in elections so prolife people have a voice in Lansing, Washington, D.C. and local government.
