

WHERE THE U.S. SENATE CANDIDATES STAND ON LIFE

VIEWS ON JUDICIAL NOMINEES

JOHN JAMES "I will fight to preserve separation of powers...and will approve justices who will interpret the constitution as written."

GARY PETERS voted against U.S. Supreme Court Justices Neil Gorsuch and Brett Kavanaugh, criticizing them for not supporting abortion.

VIEWS ON PROLIFE ISSUES

JOHN JAMES has been endorsed by the Right to Life Michigan PAC in both of his only campaigns for office, stating he is 100% prolife.

GARY PETERS has never been endorsed by the Right to Life of Michigan PAC. His lifetime congressional scorecard from the National Right to Life Committee is 0%. During his time in the Michigan Legislature, Peters voted against any restriction on abortion and was a leading advocate for legalizing assisted suicide.

VIEWS ON BORN-ALIVE BABIES

JOHN JAMES believes children who survive botched abortions have value as human beings and deserve legal protection: "Life begins at conception and ends at a natural death."

GARY PETERS is filibustering the Born-Alive Abortion Survivors Protection Act in the U.S. Senate, preventing a vote on this legislation to protect babies born alive after a botched abortion from being abandoned to die by abortion facilities.

VIEWS ON PARTIAL-BIRTH ABORTION

JOHN JAMES has said he will fight against efforts to roll back laws protecting unborn children like the partial-birth abortion ban: "I want to speak for those who have no voice. I want to fight for those who can't fight for themselves and I can't imagine a more vulnerable group of people than our unborn children."

GARY PETERS voted three times (6/6/1996, 6/4/1998, and 5/6/1999) in the Michigan Legislature against a partial-birth abortion ban.

VIEWS ON TAX-FUNDED ABORTIONS

JOHN JAMES opposes tax funding of abortion. He supports efforts to defund abortion providers like Planned Parenthood, which receives more than \$500 million tax dollars annually.

GARY PETERS has consistently voted for using tax dollars to pay for abortions. On December 3, 2015, Peters supported an amendment to make \$1 billion in tax dollars only available to Planned Parenthood and other organizations that provide abortions.
