

One Sunday. One Voice. One Church. Loving Life.

Celebrate life with us! Sunday, October ____.

If we love life, we will protect it. Now is the time. This is our opportunity: one Sunday to rally around one idea: *"All people are endowed by their Creator with certain unalienable rights: that among these are LIFE,"* a biblical declaration confirmed by Jesus who said, *"I have come that they may have life, and have it to the full."* Our time to act in faith, with love is now. Because love always protects, and votes for values that reflect God's love.
