

**One Sunday.  
One Voice.  
One Church.  
Loving Life.**

**If we love life, we will protect life.** Now is the time. October is the opportunity for your faith community to set aside one Sunday to rally around one idea: *"All people are endowed by their Creator with certain unalienable rights: that among these are LIFE,"* a biblical declaration confirmed by Jesus who said, *"I have come that they may have life, and have it to the full."* This October, Michigan churches will inform, inspire, and equip their members to act with love, to vote, and make a difference in this election cycle for life.
