Jessica Hanna

special guest speaker

Jessica is a 39 year old entrepreneur, pharmacist, and Catholic homeschooling mother of 4. She was diagnosed with breast cancer in December of 2020, when she was only 14 weeks pregnant. Termination of the baby was suggested but she quickly denied it. After surgery the doctors were convinced she was stage 4, and terminal. Aggressive treatment was now prescribed, but she continued to deny termination and also denied the NOTION that her fate would be determined by anyone, other than God! Not knowing how the story would end and abandoning EVERYTHING at the foot of the Cross, she created an Instagram channel just 4 days after her initial diagnosis to allow for others to pray for her, and take them along, for the uncertain journey that was being led by Christ. Many miracles, she calls "winks from God" happened along the way.
