Jennifer VanRyckeghem

special guest speaker

Jennifer has a personal story that speaks to many. She understands physical and emotional abuse, having had an abortion, being angry, depressed, and despairing of life. Knowing how hard life can be, enables her to never confuse behaviors and choices with someone's worth. Whether it be speaking at March for Life events, pregnancy center banquets, serving in recent years as Executive Director at a local PRC, or promoting healing to those who have suffered reproductive loss, Jennifer wishes to bring hope to others by all she says and does. Jennifer and her husband Bill live in Gaylord, MI, and together have 6 children, and 16 grandchildren.
