**Dr. Robin Pierucci**

*special guest speaker*

As a neonatologist, Robin tends to the needs of infants who are born prematurely. Interestingly, she acknowledges the smallest of the babies she cares for are currently legal to "abort." Robin believes there is no such thing as a life that is worthless, yet growing up in a pro-choice household, this is a lesson she had to learn and continues to learn.

*Master of Ceremonies: Charlie Rood, WSGW Radio personality*
