

# KAMALA HARRIS is the most RADICAL, ABORTION-OBSESSED candidate ever to run for President of the United States.

While Kamala Harris attempts to scare voters with the fantasy that abortion is at risk in this year's election (1), her plan for Michigan and the country is far more radical, endangering women, parents, young children and all taxpayers.

- Harris not only supports abortion through 9 months of pregnancy, she voted **AGAINST** requiring medical providers to care for children born alive after a failed abortion.
- She wants you to foot the bill, **voting to force taxpayers to fund abortion.**
- Harris opposes the bipartisan Hyde Amendment, saying "I have been firm in my stance on the Hyde Amendment: It must be repealed." Overturning Hyde would **open the floodgates of federal taxpayer dollars to expand unlimited abortion nationwide!**
- Kamala's running mate, Tim Walz, is just as extreme. And their Chicago nominating convention **shocked the nation** with a **FREE abortion mobile clinic.**
- An emboldened Kamala **touted abortion while touring an abortion clinic**, the first time a Vice President would tour such a facility. (March 14, 2024.)

## **It's time to STOP THE MADNESS!**

To protect parental consent for abortion, still in place in Michigan, and defend safeguards that prevent using taxpayer dollars for abortion, Kamala Harris must be defeated on election day!

*1 \* Consistent with the state constitution and state law, a woman in Michigan has a right to have an abortion at any point in her pregnancy for any reason.*
